

Hot Springs National Park Rotary Club Transferring Membership Process

Rotarians moving to the Hot Springs National Park area are welcome to transfer their membership to our club. We are honored to continue your Rotary journey with you!

How the transfer process works:

- **Notify your current club**
 - Inform your current Rotary Club that you are relocating and wish to transfer your membership.
 - Request a letter confirming your membership status and good standing.
- **Submit information to our club**
 - Complete our membership application form.
 - Provide your Rotary membership details and the confirmation letter from your previous club.
- **Review by our Membership Committee**
 - Our Membership Committee will review your transfer request.
 - Once approved, the recommendation goes to our Board of Directors.
- **Board approval & induction**
 - After Board approval, your membership will be officially transferred.
 - You will be introduced and welcomed at a club meeting as a new member of Hot Springs National Park Rotary Club.

Important notes:

- You will retain your original Rotary membership start date or “Rotary Anniversary”.
- If you are moving from outside the U.S., Rotary International will assist with the transfer process.

Interested in transferring? Contact our Club’s Executive Secretary for assistance.
